Which is your favorite song in "Kagerou Project"?

>> "Yobanashi Deceive." It becomes very groovy right from the intro.
It's very cool!

When you think of summer vacation, what memories come to mind?

>> Never ending homework.

If you could spend your vacation with one character from Kagerou Project, who would it be and where would you go?

>> I'd go to the ocean with Mekakushi Dan and take pictures of everyone in swimsuits.

Your goals for this summer!

>> Become an eco-friendly person who doesn't use air conditioning.
